

Summer Newsletter 2017!

Dear Parents & Guardians,

I hope this newsletter finds you well and you are all ready to have a fun filled summer holidays. As always thank you for your continued support at Inspire Dance and for helping us to continue to grow and welcome new faces all year.

We have been working hard to update our website with our **NEW TIMETABLE** for September 2017 and January 2018. When we return in September we will begin working towards our annual show which will include all students. However in order to make the show work we do have to combine some classes which is shown on the September timetable. In advance we have already planned the January timetable so that parents can plan ahead their academic year alongside other activities and family members. While we do our best to ensure everyone is accommodated for please do let me know if you spot an error or cannot make a class and we will try our best to resolve this.

Freya Newman and Emily Comber have been very busy representing the school with two professional dance companies.

Freya will be performing with the English Youth Ballet in Coppelia this weekend and Emily is in rehearsals for Beatrix Potter with the Cambridge Youth Ballet and is performing in October. Both had to audition to be part of these international companies and we are extremely proud of both of them. Good luck in your performances, we cannot wait to see you shine on stage!

Fees

There will not be an increase in fees during this year. However all payments need to be made via internet banking and within two weeks of the start of term. You will be emailed an invoice at the end of August. Also to make things easier it will be the same amount per half or full term as we will now be working on a 36 week term and have split the cost accordingly to help parents budget throughout the year. We will also be looking at taking card payments in September and will update you on this. Fees are already on the website.

Can You Dance 2018

Our group of juniors and seniors performed at Norwich Can You Dance event in April and once again represented the school to an outstanding level. Rehearsals will start in January and it will cost around £100 (to be confirmed) to take part with full details being sent to you if your child is accepted.
