'We dance for laughter,
we dance for tears,
we dance for
madness,
we dance for fears
we dance for hopes
we dance for dreams
we are the dancers,
we create the dreams.'

- Albert Einstein

Tickets go on sale on Monday 3rd October at 3.30pm on a first come first serve basis at The Deepings Community Centre. Last year we sold out so please don't delay.

SINGING & ACTING AUDITIONS

Within our show we have several singing and acting roles which is open for anyone to audition. Auditions will be on Saturday 24th September at 1pm. Pupils do not need to prepare anything for the audition but should be happy to sing solo and be prepared to read some lines for us. If your son/daughter would like to audition please let me know.

PERFORMANCE & TECHNIQUE & INTERMEDIATE CLASS

Following last terms massively successful performance team we will be holding a special class on a Friday 4.30-5.30pm to work on performance and technique. If your child loves to dance and to work hard then this class is for them. You can opt in for the first two terms and then in January there will be auditions to take part in our Can You Dance team which will be taking part in Norwich on April 30th and performing during the summer at various locations. Term one from September-October will focus on technique and term two's focus will be different styles from contemporary to salsa to hip hop. This class will be charged separately at £25 per half term and spaces are limited so let me know if you would like to be involved in this class.

We also are introducing an Intermediate Modern class which is a professional exam class which works on a syllabus and leads to UCAS entry points needed for university. If your son/daughter is 13 years and over and is interested in this class please let me know, Mondays 7-8pm

TIMETABLE, TRIALS & INVOICE

There has been a few changes to our timetable and different groupings for our acro & musical theatre classes so please check with me or on our website www.inspire-dance.co.uk if you are unsure. Also the age brackets for our street dance classes have changed so your child may be staying in their current class rather than moving up this term, this is due to increased popularity and us trying to equal out each group. If your child is planning on trialling one of our classes please do so during the first week of term and message me if you are unsure which class is suitable.

Payment details are listed below and on our website, please make payment either via pingit or online to sort code - 206740 account - 33434117 and use your child's name as reference. Due to increased bank charges we are trying to move away from a cash and cheque payment and would appreciate your help in this matter.
